Teaching Series: *Moving Forward*

Message Title / Pastor: “Generations” - Pastor Nate Lindseth

MESSAGE OVERVIEW

This week’s message taught us the value of every generation. We believe people are the prize, but honoring and investing in every generation can be challenging. With different perspectives, priorities and experiences. It takes the love of God and intentionality to reach every generation with His love. At PCC, we will partner with the Holy Spirit to engage the future and honor the past.

SCRIPTURE

- Ephesians 3:14–21
- Joshua 24:14–15
- Judges 2:10–11
- Ephesians 3:20–21
- Ephesians 3:16–18

DISCUSSION QUESTIONS

1. Why do you think Joshua failed to appoint and empower the next leader of Israel?
2. When we say, “people are the prize”, how does that impact your view of people who don’t know Jesus as their savior?
3. The sermon pointed out that in order to reach every generation we need the power of the Holy Spirit. Why do you believe we need the Holy Spirit to reach every generation?
4. Why is it so hard for people to love other generations well?
5. How will you intentionally invest in people of different generations this week?

PRAYER

Heavenly Father, give us eyes to see, ears to hear and hearts to respond to Your love for us and all generations. Help us to see past our own preferences and develop empathy to reach every generation with the love of God. We recognize this is a work of grace that requires Your help, so Holy Spirit empower us with Your love in a fresh way today. In Jesus’ name, amen.
