Teaching Series: *Speak Life*

Message Title / Pastor: "Words Impact Direction" - Pastor Nate Lindseth

MESSAGE OVERVIEW

In this series, we have defined speaking life as aligning our words with God's Word. In this message, Pastor Nate talked about our words being so powerful that they actually determine the direction of our lives. The Children of Israel sent twelve spies into the promised land. There were ten who said they could not and only two who said they could... who was right? Many think it was the ten spies who spread a bad report. Actually, they were both right! The ten did not get to go in, but Joshua and Caleb did! The words we speak have more to do with the direction of our lives than we think. This message encourages us to speak life daily because the direction of our lives will be aligned with what we say.
