Teaching Series: *Anchored*

Message Title / Pastor: "Anchored in God's Grace" - Pastor Miel Lindseth

MESSAGE OVERVIEW

This Sunday's message, Pastor Miel taught us how God's grace saves us and enables us. The key is we must be anchored in Christ. How? By putting our faith in Him. When we have faith in Him, we are anchored in His grace which make the impossible, possible. She shared a powerful story in Zachariah 4 about a governor named Zerubbabel. He was tasked to rebuild the temple. This seemed difficult and even impossible. But God encourages him in a vision and told him to shout "Grace, grace to it." Why? It is God's grace that has the power to accomplish anything. From salvation to calling, all of it is only possible by being anchored in Christ Jesus.
