Teaching Series: *Anchored*

Message Title / Pastor: “Anchored to Grow” - Pastor Nate Lindseth

MESSAGE OVERVIEW

It has been said that change is inevitable. But growth is optional. In Sunday’s message, Pastor Nate points out that although being anchored may seem like a limitation or a way to hold you back, it is actually the key ingredient for spiritual growth. The reason is, Christ is the only anchor that can truly set your heart free. In a world full of change, few of us experience real growth and transformation. So, what are signs of growth for a believer who is anchored in Christ? Paul addresses three critical indicators that will help us determine if we are spiritually growing. They are; speaking the truth in love, focusing on Christ, and believing that we are all born to serve.

SCRIPTURE

- Ephesians 4:1-16
