Teaching Series: *Romans*

Message Title / Pastor: “Death To Life” - Pastor Nate Lindseth

MESSAGE OVERVIEW

Today, Pastor Nate taught today that in Romans 5, we see how great a “Father” our God is. God the Father, is the perfect father. He knows how to correct, nurture, shape, and bless. Paul gives the example of how Adam brought sin into the world for all mankind. However, there is good news! God our Father loved us so much that he sent Jesus to save ALL mankind -- death through Adam and life through Christ. This gives us hope as fathers and for our kids. It’s not about perfection, but His Grace that justifies and sanctifies us. This produces hope for our past, present, and future.

Our Heavenly Father Is The Reason For Hope

PRAYER

Thank you, Heavenly Father, for your amazing grace that brought peace between us. Not based on what we have done, but on your finished work on the cross. Thank you for loving me and pursuing me. Thank you for taking me from death to life. Help me become the person you have empowered me to be. In Jesus’ name, Amen!
