Message Title / Pastor: "A disciple of Jesus has been saved, equipped, and empowered for spiritual momentum."
- Pastor Nate Lindseth

MESSAGE OVERVIEW

Today, Pastor Nate taught us in Romans 12, that being a disciple of Jesus means that we are saved, equipped and empowered for spiritual momentum. Many people find themselves stuck spiritually. They love God, but they feel like they are stuck. No momentum. Today's message taught us how to experience spiritual momentum and to keep it!

SCRIPTURE

- Romans 12

BIG IDEA

A disciple of Jesus has been spiritual momentum.

PRAYER

Dear Jesus, thank you for saving me by grace alone, through faith alone in Christ alone. It is because of You I have been saved, equipped, and empowered. I am so grateful for all You have done. It is because of You I can walk with momentum in my life as a disciple. I give my whole life, again, to You today. In Jesus' name, Amen!
