Message Title / Pastor: “Presenting Hope” - Pastor Nate Lindseth

MESSAGE OVERVIEW

Hope is one of the most attractive parts of the Gospel. In a world where hope can be lost with a simple phone call of bad news. We can be thankful that we serve a God that offers hope no matter what we face in this life, including death! He is the God who has conquered death, hell and the grave. Therefore we have a hope found in Christ that can never be taken away. In today’s message, Pastor Nate teaches us how to receive hope so that we can give it away to others for the glory of God!

SCRIPTURE

- Romans 15

BIG IDEA

Presenting Hope is not blind optimism, it’s confidence in our good God that He will do what He said He would do.

PRAYER

Father, thank you for offering Hope that can never be taken away! I trust You and have confidence in You! Help me to Present Hope in word and action this week. In Jesus’ name, Amen!
