Teaching Series: Future: Living Forward with God's Blessing

Message Title / Pastor: Future – Serving Jesus, Pastor Jason Meleen

MESSAGE OVERVIEW

Living a life serving Jesus probably will not be glamorous or a luxurious life right now. But we're not living for today, but the future. Don't lose your perspective. Serving Jesus with everything we are is preparing us for the day the trumpets sound, and He calls us home. And if you hope to celebrate on that day, then stay focused on your eternity. Is serving Jesus and giving your best to have the assurance of knowing where you will spend eternity worth it?

SCRIPTURE

- Malachi 3:13-18
- Hebrews 10:23-25
- Colossians 3:23-24

DISCUSSION QUESTIONS

1. Do you ever struggle to believe God loves you and never leaves you? Why or why not?
2. How has having doubts about God hindered your relationship with God?
3. How has reading the Bible and praying helped you replace lies or misconceptions about God with the truth?
4. Do you feel that you give God your all? If not, in what areas do you need to improve?

PRAYER

Lord, we come humbly before You and thank You that we get to serve a God that continues to pursue after us because of Your promised love for us. Let our lives represent You well. Let us never forget to approach You with a pure heart and serve You with all of our lives so we can know You in many ways and represent to the world how much we love serving You. Thank you for Your assurance to know that one day You will come. In Jesus' name, Amen.
