Teaching Series: FREEDOM—3 Days That Changed the World

Message Title / Pastor: You Are Part of God's Plan! - Pastor Jason Meleen

MESSAGE OVERVIEW

God has a plan, and He wants your help. When we say yes to helping God, it will take a lot of faith, obedience, and sacrifice. If we do our part and stay faithful, honoring and praising Him, He will do His part and guide us through it.

SCRIPTURE

- Matthew 21:1-11
- Luke 19
- Zechariah 9:9

DISCUSSION QUESTIONS

1. What is your favorite type of parade? Please explain why.
2. When going through difficult times in life, do you feel you have enough faith in God to trust Him knowing He has a plan for your life?
3. How can you obey God better?
4. Can you sacrifice and use your resources to help God's plans?
5. Do you feel that you give God your all when praising and worshiping Him? If not, how can you improve?

PRAYER

Lord, we come humbly before You and thank You that we get to serve a God that continues to pursue after us because of Your promised love for us. Let our lives represent You well. Let us never forget to approach You with a pure heart and serve You with all of our life so we can know You in many ways and represent You to the world. In Jesus' name, Amen.
