Teaching Series: Welcome Home

Message Title / Pastor: Service – Looking Forward, Pastor Bill Wilson

MESSAGE OVERVIEW

God has uniquely and individually created, saved, called, and equipped us to serve Him through our gifts, talents, and resources. Even more, He has designed us, as individual members to serve the greater Body of Christ, to see His purposes accomplished through our united efforts. The mission of God will only be accomplished as we, as believers in Christ, engage in bringing His light to the darkness of our world.
