Prayer Requests

Prayers for Ben Hawkins who has been diagnosed with a brain tumor.

Prayers for our youth as they plan for the upcoming Missions trip to Baja in June.

Prayers for local family whose young daughter was found dead.

Prayers for the family of a 46-year-old mom who suddenly passed away.

Prayers for Sunday to be a great day honoring Mom's and all Ladies.

I need prayer for my disabled son Jovan.

Please pray for salvation for those on my prayer list. I really want them to know Christ.

Prayers for the homeless in our cities.

Please pray for Divine Intervention in my life.

Please pray for my brother Mike who is strung out on drugs.

Gretchen is suffering and in pain from longtime covid and it has left her weak and she needs prayer for GOD to ease the pain.

Continue prayers for me as I need healing in my kidney.

I am asking God to intervene and set us free from these problems completely, to make a way and to cause it all to work out for our good, and that our home is a blessing.

Please ask the Lord to help my father through his cancer treatment and help heal him of anything further.

I need victory over diabetes.
