Teaching Series: *Speak Life*

Message Title / Pastor: "Speaking A Legacy of Life" - Pastor Heather Lewandowski

MESSAGE OVERVIEW

God is the God of generations. If each generation matters to God then they must matter to us. Moses spoke life into Joshua, and every generation needs a Moses to speak life into them. This is a template of how we can, through the help of the Holy Spirit speak life into the next generation. This message will reveal through the power of speaking God's Word that destructive patterns can be broken and blessings can abound for our future children and grandchildren.

PRAYER

Dear Jesus, You came to give me life. Help me to speak life over others, especially the next generation. Reveal to me things in my past that have caused me not to live the abundant life You came to give. As you set me free from my bondages help me to point others to the freedom and hope You give. God, surround me with a Moses who will encourage me and in turn let me be an encouragement to others. Thank you, Jesus. Amen.
