Message Title / Pastor: "Make Disciples" - Pastor Nate Lindseth

MESSAGE OVERVIEW

This Sunday's message, Pastor Nate helped us see that being a Christian has a very important mission that many people who are Christians lose sight of. The last command Jesus gave to the disciples was "go and make disciples." If this is important to Jesus, then it is important to us. At Portland Christian Center, we are committed to fulfilling God's mission, to go and make disciples. This mission is the same mission for every Church who claims to be followers of Christ. The important part for us, is how do we accomplish His mission in our current context? That is what our new vision statement is designed to do. Love God. Present Hope. Develop People. We are inviting everyone to be a part of what God is doing at PCC to accomplish what God has called each of us into. Make Disciples..
