Message Title / Pastor: "Surrender your life and follow Him"
- Pastor Nate Lindseth

MESSAGE OVERVIEW

Today, Pastor Nate taught us that God's design for us is to be awake. However, this is way more than just a cup of coffee! This is an invitation from God to surrender your life and follow Him. This feels risky, and uncertain at first. However, when you surrender to Christ and follow Him, everything changes. Pastor Nate reveals three areas of your life that will change when you simply answer the call of Jesus... "Follow me."
