Teaching Series: *The Blessed Life*

Message Title / Pastor: “Multiplication” - Pastor Nate Lindseth

MESSAGE OVERVIEW

Today, Pastor Nate taught on the principle of multiplication. God has a way of multiplying resources in ways that don't make sense. For example, in God's economy, tithing and living on 90% produces more than living on 100%. This does not make sense, yet because of God's blessing and power to multiply that's exactly what happens. Therefore, how do we live and give with God's principles for multiplication? Today's message gives practical steps for activating the principle of multiplication in our lives.
