

March Prayer Focus

We recognize the need for God's power. This is the same power by which God created the Heavens and the Earth. It's the same power that parted the sea for Moses and that Jesus used to heal the blind and feed the 5,000 from a few loaves and fish. Whether it was Shadrach, Meshach, and Abednego in the fiery furnace or Daniel in the lion's den — we can harness that same power in our lives today.

Prayer is the foundation at PCC. The Monthly Prayer Focus is a simple initiative to bring us together in prayer, unity, and awareness of some specific needs of our church, community, nation, and world.

Will you partner in prayer by lifting these needs before the Lord?
